For those of you lucky enough to score the new “Madden NFL ’07,” which was released at midnight, you’ll be able to hear a slice of Delaware during the football action.

"Not Giving Up," a song by Delaware band Omnisoul, is featured on the popular game series by EA Sports.

The song recently gained recognition while being played in sports stadiums. Teams that have played the song during games include the Philadelphia Eagles, Philadelphia Phillies, Jacksonville Jaguars and the Pittsburgh Steelers.

Omnisoul, which is signed with Wind-up Records, is no stranger to soundtracks. Their song "Waiting (Save Your Life)" is featured on “The Fantastic Four” movie soundtrack. Omnisoul's first Wind-up release is due later this year.
